Subj: Introduction of 2005 Federal Executive Board Leadership

It is with pleasure to introduce the leadership of the Federal Executive Board for 2005. I encourage you to make contact with the Board of Directors to offer your suggestions on ways we may best serve your agency. A brief biographical sketch of the 2005 Chairman, Chair-Elect, and Vice-Chair follows:

Tom D. Reid, FEB Chair

Tom D. Reid received a law degree in 1984 and practiced law in Alabama before joining the Department of State in 1985. He served overseas as a Foreign Service Officer in the Philippines, France, United Arab Emirates and the Netherlands. In Washington, D.C., he served in the State Department's Operations Center and in the Bureau of European Affairs. Initially serving at the San Francisco Passport Agency, Mr. Reid became the Regional Director of the Los Angeles Passport Agency in 1999 and has been on the FEB Board of Directors since that time. For 2004-2005 he chaired the Los Angeles County Combined Federal Campaign, which raises \$3.8 million each year and worked to enhance the Public's perception of the Los Angeles Federal community and the contributions that it makes through the CFC.

James Christy, FEB Chair - Elect

Mr. Christy has worked for the Census Bureau since 1987. As the Regional Director of the Los Angeles region, he manages a staff of 500 permanent employees and is responsible for Census Bureau activities in Southern California and Hawaii. He began his career in Washington, DC, working as a statistician evaluating education and expenditure data. He has also worked in the Denver and Kansas City Regional Offices on a variety of Census Bureau activities. These included working on the 1990 and 2000 Decennial Censuses and the supervision of data collection for indicators such as the Consumer Price Index, the Monthly Unemployment Rate and Housing Starts.

Theresa Camiling, FEB Vice-Chair

Ms. Camiling is the Director for the Los Angeles Field Office of the U.S. Department of Housing and Urban Development. The L.A. office is the largest in the country and maintains a portfolio in excess of \$2 billion. Ms. Camiling is dedicated to supporting low-income families as they strive to live the American Dream. As a member of the FEB's Board of Directors, she and her staff provided seminars for Federal employees as they struggle to afford housing in the Greater L.A. Area. Her previous assignment was the

Field Office Director for the Santa Ana HUD Office. Prior to joining HUD in 1999, she was a Project Director for a major real estate auction company, a Vice President of Marketing in an Investment Real Estate firm, a commercial and residential Real Estate Agent, and the head of a nonprofit housing organization. Educated at the University of Southern California, Ms. Camiling has volunteered her services to several nonprofit housing organizations throughout Southern California.
